

# WALK

Hulvey

He is on my side  
Jesus, He walks with me

Get back to the business, I feel the Spirit moving through the city  
I got the light shining, come get it  
Walking with Christ, moving where it's gritty  
Walking with Christ, moving where it's gritty  
I feel the Spirit moving through the city  
I see the people tryna bring it with me  
We got the light tell 'em "come and get it", yeah  
Walk, walk, walk, walk, walk, walk, walk (Ayy, ayy, ayy)  
He is on my side  
Jesus, He walks with me  
I walk  
Walk, walk, walk, walk, walk, walk, walk  
He is on my side  
Jesus, He walks with me  
We walk

Woah  
I was chasing my glory then fell asleep  
Woke me up, and told me to go feed the sheep  
Send me deep in the streets just to bring 'em peace  
Yeah, we be where them blickies be bussin'  
Where they end your life with no discussion  
But as soon as they see the Light rushin'  
They know that the Lord walking with us, no bluffing  
People say that I'm fake, I'm like "Okay  
Do you walk in the Light, or are you throwing shade?"  
116 on my skin, I got no shame  
We was preaching about Jesus before fame  
Brrrat, did that, on my side, yeah, He been there  
Asked the devil where my sins at  
On the cross 'cause He pinned that  
Big throne where He sits at  
Death hit Him and He hit back  
Resurrected, yeah, that's big facts  
Told us hold it down 'til He get back (Back)

Get back to the business, I feel the Spirit moving through the city  
He is on my side  
I got the light shining, come get it  
Jesus, He walks with me  
Walking with Christ, moving where it's gritty  
Walking with Christ, moving where it's gritty  
He is on my side  
I feel the Spirit moving through the city  
Jesus, He walks with me  
I see the people tryna bring it with me  
We got the light tell 'em "come and get it", yeah

Yeah, walk with me (With me)  
Step in the scene with the flock  
Had to keep it so steady, don't fall for the false  
Had to cut out the session, He got it to crop  
Hold up, spiritual weapons when miracles happen  
I'm never surprised 'cause of God

They say I'm no Hannah Montana, I ain't switching my banner  
Like David we slinging the rock (The rock)  
We kickin' this beat in, boy I serve Yeshua  
Even if it means I'm bleeding (Means I'm bleeding)  
Come kill my flesh, my soul still breathing  
Speak through me  
Yeah, yeah, this heart keep beating (Beating)  
These lungs keep singing (Singing)  
Come and step into the kingdom (Yeah)  
For the ones mistreated (Yeah)  
'Til the day we see Him (Yeah)  
This feel like the moment we seek and the day we can see Him  
To want to get freedom to walk

Walk, wa-walk, walk, walk, walk, walk, walk  
He is on my side  
Jesus, He walks with me  
I walk  
Walk, walk, walk, walk, walk, walk, walk  
He is on my side  
Jesus, He walks with me  
We walk  
Get back to the business, I feel the Spirit moving through the city
