

Can I Do You

Human Nature

Movin' right along to another scene
I saw you on the way
I thought I'd seen your pretty face before
And I wanted you to stay
But you went walkin' on
What was I meant to do?
I couldn't let a chance like this go by
I had to ask you baby, baby ...
Can I do, do you? (I just had to ask you baby)
Can I do, do you? (Do you, babay, do you, baby)
Can I do, do you? (I just had to ask you girl)
'Cause all I wanna do
Is do, do, do, do you

Baby, baby, baby
Oh, ooh

I know it seemed a little premature
But I wanted you to see
That right from the moment I saw you girl
You were doin' things to me
I thought I'd be loding you
So what was I meant to do?
Oh I couldn't let a girl like you go by
I had to ask you baby, baby

Can I do, do you? (I just had to ask you baby)
Can I do, do you? (Do you, babay, do you, baby)
Can I do, do you? (I just had to ask you girl)
'Cause all I wanna do
Is do, do, do, do you

There's something I wanted to tell you
There's something I wanted to say
The moment I saw you standin' there
I knew that nobody could compare
And then you looked my way - held me right there
I wanted to say

All I wanna do
All I wanna do
All I wanna do
Is do, do, do, do
(Do, do it to you)
Do, do, do, do you
(Baby, oh yeah)

Can I do, do you? (I just had to ask you baby)
Can I do, do you? (Do you, babay, do you, baby)
Can I do, do you? (I just had to ask you girl)
'Cause all I wanna do
Is do, do, do, do you

(Baby I wanna do it to you)
(I just had to ask you)
