Don't Come Back

Human Nature

Don't come back
If you're only gonna break me down
Don't be like that
'Cause I've given you my heart
Don't play it
After all is said and done
I believed I was the one
Love is not a game of hit and run
Baby

Don't come back
Till the day you love me
Say goodbye
Ain't nobody gonna see me cry
I'm the only one and girl if you can't see that
Don't come back

In my mind
There's a picture I can see
So clearly
If only you believed
That baby you should be with me

After all is said and done
I believed I was the one
Love is not a game of hit and run
No, no, no baby

Don't come back
Till the day you love me
Say goodbye
Ain't nobody gonna see me cry
I'm the only one and girl if you can't see that
(Girl if you can't see that)
Don't come back

Don't come back
Till the day you love me
Say goodbye
(You can say goodbye)
Ain't nobody gonna see me cry
I'm the only one and girl if you can't see that
Don't come back

(Don't Come Back
Don't Come Back
Don't Come
Back)

Don't you come back until you love me
There ain't nobody gonna see me cry, no
And girl if you don't know why, oh

Don't you come back until you love me
There ain't nobody gonna see me cry, no
And girl if you can't see that
Don't come back

```
Don't come back
Till the day you love me
Say goodbye
Ain't nobody gonna see me cry
I'm the only one and girl if you can't see that
Don't come back

Don't come back
Till the day you love me
Say goodbye
Ain't nobody gonna see me cry
I'm the only one and girl if you can't see that
Don't come back

(Don't Come Back
Don't Come Back
Don't Come Back
Don't Come
Back)
```
