

## Parade

**Hundred Waters**

Oh, what a fine parade  
Ready or not, call your name  
Hey now, where do I go?  
Where do I go?  
Wave at children along the side  
Catching candy, balloon in the sky  
Saying now, where do I go?  
Where do I go?  
Wait up

Who do you think you are?  
You never cared before  
So what are you doing it for?  
March two by two  
Who do you think  
Who do you think, think you are?  
Who are you now?

Turn the street  
Repeat
