

Cauterize

Hundredth

Oh, why am I
Why am I wasting all my time?
Swaying side to side
Diving deep to find
Foraging a flaw in the design

Either way
We're gotta go
Fade to black
Drift off alone
Surrender all
Give it all away
Until you find
It's all a waste of time

So I cauterize
So I cauterize

How far can I
Push it till I fall off the other side?
Cause we're all divine
So in the meantime
Just let the pieces fall where they can find

Either way
We're gotta go
Fade to black
Drift off alone
Surrender all
Give it all away
Until you find
It's all a waste of time

So I cauterize
So I cauterize
So I cauterize
So I cauterize

Go right, right
Go left, go right
...

Either way
We're gotta go
Fade to black
Drift off alone
Surrender all
Give it all away
Until you find
It's all a waste of time

So I cauterize
So I cauterize
So I cauterize
So I cauterize
