

Suffer

Hundredth

Spread with green
Effortlessly happy
Didn't think I'd be
Seeing you now

Torn between
Bliss and envy
Couldn't dig the hole
Wide enough for us so you

Suffer
Suffer
Yeah you suffer
Just to feel something real
You suffer
Suffer

"Alright
I think I barely know"
"Alright
I think I'm ready"

Torn between
Bliss and envy
Couldn't dig the hole
Wide enough for us so you

Suffer
Suffer
Yeah you suffer
Just to feel something real
You suffer
Suffer
Yeah you suffer
Just to feel something real

I knew I'd find you here
Wallowing in your guilt
You ain't changed a bit
Of that we're clear
I knew I'd find you out
Outside of town
Wrapped around a tree
Where you want to be

Where you want to be

Just to feel something real
You suffer
Suffer
Yeah you suffer
Just to feel something real
