

Vertigo

Hundredth

Escape
Just to get away
Too late
Butcher meets the blade
Panic
On the menu
Elevate
But the vantage point is a blurred view
It's a blurred view

Blackout
Spinning all around
You lost it in the high
But I know
You'll find it on the comedown

Illuminate
The flawed perception
Recreate
The same scene
The same reflection
The same reflection

Blackout
Spinning all around
You lost it in the high
But I know
You'll find it on the comedown
Find it on the comedown

Find it on the comedown
But I don't wanna come down
Find it on the comedown

Escape
