

Cry For Me

HUNNY

Can we keep time alive
Long enough to fake a smile?

Never knowing all the lies that have been growing in our love
Never knowing all the lies that have been growing in our love

Empty spaces our aging faces have turned to
(Oh, don't talk about it)
Trading places with whatever makes us feel new
(Oh, don't talk about it)

Taking turns putting cigarette burns in our jeans below the knee
You waste my life

Never knowing all the lies that have been growing in our love
Never knowing all the lies that have been growing in our love

Empty spaces our aging faces have turned to
(Oh, don't talk about it)
Trading places with whatever makes us feel new
(Oh, don't talk about it)
Empty spaces our aging faces have turned to
(Oh, don't talk about it)
Trading places with whatever makes us feel new
(Oh, don't talk about it)

I can see you off
I can make you cry for me
I can see you off
I can make you cry for me
I can see you off
I can make you cry for me

Empty spaces our aging faces have turned to
(Oh, don't talk about it)
Trading places with whatever makes us feel new
(Oh, don't talk about it)
Empty spaces our aging faces have turned to
(Oh, don't talk about it)
Trading places with whatever makes us feel new
(Oh, don't talk about it)

Cry for me
