

Homesick

HUNNY

Wasting time in front of retail
Never really had nowhere to go
Losing distance in the details
Losing faith in radio

Take another ride through your window
Outside or inside out
You take another ride on your broken bicycle

I'm homesick, wondering how I should feel
Is it all just a part of the deal?
Homesick, wondering how I should feel
Is it all just a part of the deal?

Wasting checks on smoke and caffeine
Hanging hope on ritual

Take another ride through your window
Outside or inside out
You take another ride on your fucking bicycle

I'm homesick, wondering how I should feel
Is it all just a part of the deal?
Homesick, wondering how I should feel
Is it all just a part of the deal?

I'm homesick, wondering how I should feel
Is it all just a part of the deal?
Is it a part of the deal?
Is it just part of the deal?
I'm homesick
Oh, what's the deal?
I'm homesick
