

# Captain

Hunter Brothers

I sold my things to find my wings  
Convinced that I could fly  
Knew I couldn't win the war myself  
But maybe I could try  
To serve a Higher purpose  
Fight for something worth the fight  
But my strength turned into weakness  
When the day turned into night

Been down, worn out, breathing desperate air  
Shaken, breaking, never been so scared

You are the Captain, I'm just a man  
You are the heartbeat, I'm just the hands  
I'm the strings, You are the sound  
I am the lost, You are the found  
You are the Captain, I'm just a man

I'd be lying if I told you  
I knew how or I knew why  
Wasn't worthy of the rescue  
But I made it out alive  
Found my place  
To serve among the waves among the wind  
God bless the souls that blessed my soul  
Hope I can do the same for them

Flyin' through the clouds of smoke, fire in the sky  
No control, holdin' on, that's when I realized

You are the Captain, I'm just a man  
You are the heartbeat, I'm just the hands  
I'm the strings, You are the sound  
I am the lost, You are the found  
You are the Captain, I'm just a man

I'm not afraid, I'm not alone  
You are the Truth, You know the plans  
And all the answers I don't know

I'm not afraid, I'm not alone  
You are the Truth, You know the plans  
And all the answers I don't know  
I don't know, I don't know  
You are the Captain

You are the Captain, I'm just a man  
You are the heartbeat, I'm just the hands  
I'm the strings, You are the sound  
I am the lost, You are the found  
You are the Captain, I'm just a man

I'm not afraid, I'm not alone  
You are the Truth, You know the plans  
And all the answers I don't know

I'm not afraid, I'm not alone

You are the Truth, You know the plans  
And all the answers I don't know
