

Fallen

Hunter Hayes

Give me a day or two
I'll be right with you
I've just been feelin a little strange
I'm acting when it's true
But this feeling's totally new
Girl, I've never felt this way
And girl, you're all I think about
Cuz I have fallen, there's no doubt
I think I'm sick in love
I've fallen and I can't get up
I lose my sanity
Every time that you're with me
Cuz girl I'm wrapped up in you
I get lost in your eyes
No room for compromise
No one else will do, no one else
Girl, you're all I think about

Cuz I have fallen, there's no doubt
I think I'm sick in love
I've fallen and I can't get up
Girl, you're all I think about
Cuz I have fallen, there's no doubt
I think I'm sick in love
Cuz I've fallen and I can't get up
Girl, you're all I think about
I have fallen, there's no doubt
I think I'm sick in love
Cuz I've fallen and I can't get up
Girls you're all I think about
Ohhh, help me up
I have fallen there's no doubt
Girl, you're all I think about
I've fallen and I can't get up
