

Heartbreak

Hunter Hayes

Another almost-perfect
Didn't work, but totally worth it
Better to have loved and lost my mind
Than lose the nerve to even try
Another conversation, awkward, but the ice is breaking
I've been in some shit relationships, but I've remained an optimist
It's not a game I'm playing
It's not a thrill I'm chasing
More like a space I'm saving, but I don't even know your name

But if it gets me to you, then it ain't wasted time
With every so-close I'm closer to the rest of my life
Another bad first date, check
Another nothing left to say, check
What I mean is, the way I see it
I'm one heartbreak closer to you
You

Hey baby, can I call you 'baby'? Is that okay?
I don't even know you, but I can't wait to know you someday
Imagine someday, when we look back
I'll thank my past for giving me my future better half
I'm sorry for the time it's taken, but I'ma make it worth the waiting
And all this wrong love that I learned from
Was just practice for the right one

If it gets me to you, then it ain't wasted time
With every so-close I'm closer to the rest of my life
Another just-got-played, check
A shot of Bourbon for the pain, check
What I mean is, the way I see it
I'm one heartbreak closer to you
You

It's kinda strange to miss
Someone I haven't met (Yet)
Someone I haven't kissed (Yeah)
But I'll go through it all

If it gets me to you, then it ain't wasted time
With every so-close I'm closer to the rest of my life
Another sad goodbye, check
Another sleepless night, check
What I mean is, the way I see it
I'm one heartbreak closer to you
(I'm one heartbreak closer to you)
You
You
You
One heartbreak closer to you
