

Suitcase

Hunter Hayes

I don't need it
I don't need it anyway
If I can't pack it in a suitcase

If I can't fit it in a suitcase
If I can't take it down the highway
Maybe I don't really need it anyway, yeah
And if I can't look into your green eyes
Kiss you once or maybe baby two times
Then we haven't been if it ain't right

So baby let's get away
And make our escape
Really what else do we need
If the sky and the stars come free, yeah
I'm feeling rich off your million dollar kiss
If it ain't you baby they can have it
I don't want it if I can't pack it in a suitcase

I don't need, I don't need it anyway
If I can't pack it in a suitcase
I don't need, I don't need it anyway
If I can't pack it in a suitcase

If you don't sing it and it don't rhyme
If you ain't in the sun and it don't shine
Girl I don't want to know me if you ain't mine
Baby tell me why
All this stuff but still got no time
I've had enough living this concrete lie

So let's get away
And make our escape
Really what else do we need?
If the sky and stars come free
I'm feeling rich off your million dollar kiss
But if it ain't you they can have it
I don't want it if I can't pack it in a suitcase

I don't need, I don't need it anyway
I don't need, I don't need it anyway

Baby tell me why
We got all this stuff but still no time
I've had enough living this concrete lie

So let's get away
And make our escape
Really what else do we need?
If the sky and stars come free
I'm feeling rich off your a million dollar kiss
But if it ain't you they can have it
I don't want it if I can't pack it in a suitcase

(I don't need, I don't need it anyway)
(If I can't pack it in a suitcase)
I don't need anyway

If it ain't you baby I don't need it anyway
It's just you and me baby and a dream to chase
We can bring it we don't need it anyway
If we can't, we can't, we can't fit it in a suitcase
