

Wallflower

Hunter Hayes

Move me wherever you like
If you wish, put me in the light
Until you think you've changed your mind again

I dress up to meet your demand
I fit into your master plan
My hand out, you don't take a chance again, again

I keep on holding up the wall, holding up the wall
Safe 'cause it'll never let me fall, never let me fall
You think you know, but you don't know it all, you don't know at all
There's a reason I'm a wall, reason I'm a wallflower
A wallflower

Sweet talk and a glass of wine
"I'm here, you can call anytime"
I'm just here 'cause I make you smile again

But I'm happy to brighten the room
And I'm glad being someone you knew
When you forget, you should remember me
Remember me

I keep on holding up the wall, holding up the wall
Safe 'cause it'll never let me fall, never let me fall
You think you know, but you don't know it all, you don't know at all
There's a reason I'm a wall, reason I'm a wallflower

It ain't your fault, no, it ain't your fault
Everybody talking just to talk, talking just to talk
Every morning listen to it all, let you feel small
There's a reason I'm a wall, reason I'm a wallflower
A wallflower

Now holding up the wall, holding up the wall
And never let me fall, never let me fall
You think you know it all, you don't know it all
Is the reason I'm a wall

I keep on holding up the wall, holding up the wall
Safe 'cause it'll never let me fall, never let me fall
You think you know, but you don't know it all, you don't know at all
There's a reason I'm a wall, reason I'm a wallflower

It ain't your fault, no, it ain't your fault
Everybody talking just to talk, talking just to talk
Every morning listen to it all, let you feel small
There's a reason I'm a wall, reason I'm a wallflower
A wallflower
There's a reason I'm a wall
A wallflower, wallflower
A wallflower
