

# The Great Canadian Love Song

Hunter Valentine

If I could say things,  
then I wouldn't have to write this  
If I could let go,  
then it probably be better

This is just another love song,  
but it's mine this time  
Yeah it's just another love song,  
but it's you who said

And it's been so long since, I've seen you happy  
And it's been so long since, I've seen you smile

The days they feel long  
Why am I so tired?  
I sleep all day when  
I can't get inspired

And it's been so long since, I've seen you happy  
And it's been so long since, I've seen you smile

I wish I could make you feel happy  
I wish I could make you feel fine

Pull on my heart strings  
Am I pulling at the right ones?  
I'm caught up in this  
Did I catch your attention?

And it's been so long since, I've seen you happy  
And it's been so long since, I've seen you smile

I wish I could make you feel happy  
I wish I could make you feel fine  
And if I could make you feel happy  
Maybe I could finally feel fine

This is just another love song
