

# The Pulse

Hunter Valentine

I had a flash from the future  
we were bitter, old and grey  
Yeah I was making you dinner  
You couldn't think of a word to say  
I tried to picture a lifetime  
of not waking up next to you  
I couldn't shake off this feeling  
deception grew and grew

'Cause it's the pulse that feeds the lonely  
It's the beat that doesn't stray  
Yeah it's the pulse that feeds the lonely  
and the lonely is here to stay

Hoo Hoo Hoo Hoo I'm gonna catch up to you  
Hoo Hoo Hoo Hoo I'm gonna catch up to you

See I been chasing your shadow  
It never stays in one place  
I've been fighting the distance  
of this never ending race

Cause it's the pulse that feeds the lonely  
It's the beat that doesn't stray  
Yeah it's the pulse that feeds the lonely  
and the lonely is here to stay

Hoo Hoo Hoo Hoo I'm gonna catch up to you  
Hoo Hoo Hoo Hoo I'm gonna catch up to you

'Cause it's your pulse thats made me lonely  
Now I'm tired and a wreck  
Yeah it's your pulse thats made me lonely  
and I'm feeling kinda sick

(Your pulse has made me lonely  
your pulse has made me sick  
Your pulse has made me lonely  
your pulse has made me sick)

Hoo Hoo Hoo Hoo I'm gonna catch up to you  
Hoo Hoo Hoo Hoo I'm gonna catch up to you  
Hoo Hoo Hoo Hoo I'm gonna catch up to you  
Hoo Hoo Hoo Hoo I'm gonna catch up to you  
Hoo Hoo Hoo Hoo I'm gonna catch up to you  
Hoo Hoo Hoo Hoo I'm gonna catch up to you
