

## Blindman

Hunter

Going on across the lands  
Nobody wants to hear your voice  
Bring your news, wisdom of life  
In whipping dance of sicken choice

Fearless wretch, insanity  
He's running blind to set us free

Falling to his dirty feet  
You change your mind  
You change your dreams  
You have to twist across your lies  
In whipping dance of falling size

Fearless wretch, insanity  
He's running blind to set us free

Run-RUN to die for right  
Only empty laughs at your senseless fight  
Fear's creeping to your mind  
You're looking for, but you'll never find!

Marching on across your lies  
You're searching for your promise lands  
Endless chain of living flames  
Are waiting for you to burn your hands

Fearless wretch, insanity  
He's running blind to set us free

Run-RUN to die for right  
Only empty laughs at your senseless fight  
Fear's creeping to your mind  
You're looking for, but you'll never find!
