

Be My Baby

Huntingtons

the night we met i knew i needed you so
and if i had the chance i'd never let you go
so won't you say you love me i'll make you so proud of me
we'll make them turn their heads every place we go

so won't you please, be my be my baby
be my little baby, my one and only baby
say you'll be my darlin' ,be my be my baby
be my baby now oh ho ho ho

i'll make you happy baby just wait and see
for every kiss you give me i'll give you three
since the day i saw you i've been waiting for you
you know i will adore you till eternity
