

## Now I'm Alright

Huntingtons

i used to be dependent on a love that was only rented  
for a small amount of time just to mess up my mind on you  
oh a girl like you is so priceless to a guy so indecisive  
makes me wanna lose my mind 'cause i wasted my time on you

oh you are the girl  
that i thought i loved  
but now i'm oh so sure  
oh oh (oh oh) alright (alright) i'm alright with out you baby  
alright (alright) alright (alright) i'm alright with out you

i ran around in circles jumping over all your hurdles  
on the chance of taking time to settle down my mind on you  
oh a girl like you is so priceless to a guy who  
he's messed up in the mind 'cause he wasted his time on you
