

## True to You

Huntingtons

oh baby, i'll be true to you  
no matter what you say, or do  
i'm still in love with you  
and baby, you know what it means  
to a guy like me, you'll see  
just how happy we can be

i know that you've been hurt before  
he left you crying on the floor  
but here i am holding out my hand  
hoping that somehow you'll understand

i saw you down at harlem square  
i waved to you, you didn't care  
want you to see, it's not like that with me  
but if i am dumb, than that's just what i'll be
