

True to You

Huntingtons

oh baby, i'll be true to you
no matter what you say, or do
i'm still in love with you
and baby, you know what it means
to a guy like me, you'll see
just how happy we can be

i know that you've been hurt before
he left you crying on the floor
but here i am holding out my hand
hoping that somehow you'll understand

i saw you down at harlem square
i waved to you, you didn't care
want you to see, it's not like that with me
but if i am dumb, than that's just what i'll be
