Double back that same night, It was 4 rich niggas sticked up
I pray to God my gun don't jam again, it gone blam again
Member' I ain't,.. fed for that case... end
And I pray we don't go back again, my nigga back again
Nigga ever did some vandalized shit, then he won't rap again
Yea Hunxho he like the biggest, he got niggas tappin in
Then go spin they block, like back to back
Young booby smacking shit, that's for gang

Nigga ever reach for one these TB chains, that's biggest slang
When I tear them niggas down, ain't no run up on my gang
And I'm solid as they come, bitch ain't no blemish on my name

If I see one better then I mean won't hesitate to hop in
Get the car off right there by the,.. he had my nigga blocked in
