Hunxho

See me now

There ain't no see here what

Opened the door for God ain't close with the lord, I let the demon out  
I used to stress about hoes who couldn't do, nothing for me, Lord you should  
see me now

Got a fuck nigga from round me who couldn't help me, yea they tried to keep  
me down

I was locked up inside of my cell, now out here I can see my child  
Never thought that you'd cross a nigga, baby you got me bleeding out  
I ain't got to shit for you to believe me, you can believe me now  
If you just around me, you'd be around me, you can leave me now

I'ma still listen, I care

God, you my witness I bare

Kell caught a case with Rockdale, free him let my dawg be here

I'm down the road, five kids, I feel like he need to see them

I can't tell how I feel, I don't pop pills, I just got to breathe in

Whole fam fucked up, swear at a young age, nigga had to be a man

I done signed dim trucks, fucked up rapping trying to believe in the plan

I been through a whole lot, when head fucked up, hope you believe what I'm saying

I know you depend on me, I'm like kyrie, I got the ball in my hand

I was robbing niggas, I ain't never sell grams

Robbing niggas that shit fucked with my head

Drive a Lincoln, now fucked up my cat

Hanging with niggas who live by lead

Hunnid sum thou, tryna push back

It all come down when I'm in my bed

God know what's happenin when my day comes, let my killer know I'm not scared

Opened the door for God ain't close with the lord, I let the demon out

Used to stress, you should see me now

I've been hurt, I was bleeding out

Can't hold me, can't keep me down

Stay quiet can't pick me out

I'm where ever come see my dot

I've been stuck can't leave my block

Drive a jeep nigga I'll go cat too

Marvelous met sum, you can get smacked too

Goblin, Watch this, I'll show you what I do

Tired, working hard, I'll bet I'll not lose

Sirens, know how I do when I come through

Viben, I do this shit just like 1, 2

Solid, I was in sixth grade nigga go badly, I put a bitch on a head like a mallet

I don't do the sitting in jail, I be wagon

I'm the one took off, blew up with the rapping

I treat this shit like a mo'fucking passion

I really be home, I don't like to be flashing

See a leech with lil bitch, I can't fuck with the maggot

I'll turn ya up, yeen got come with the baggage

In a lil hotel prolly writing my ends, she gotta take risk to be in a position

Tell me have you ever seen me vision you Vic

What ever I got to do, do it, they get it  
The whole gang relevant nigga we vision  
Bro pop a trues, I deal with these demons  
I got retell, I go on my sentence  
This shit hurt when they sent you to prison  
This shit been working, I made my decision  
I like to talk shit, still on the block bitch  
Try to come get me, I'll never won't leave  
Don't like talk shit, no we ain't Chinese but we got chopsticks, just like mean  
Steal for my man, he's sitting in the can, in jail they had fried him just like a wing  
Daughter don't play, you on a hoe aye  
You really don't care, she smash the whole team  
I Ode, you know what it is  
If you owe me, don't make me go back to the old me  
When I would take shit down for a reason, believe me nigga  
Know I get active believe me nigga  
High as the smoke when you see me nigga  
Know if it's smoke when I seen a nigga  
I am the killer fuck bout the witness
