I've been rocking these shows in my city, this shit here been litty, I make

God, family, and money, this shit get serious, it go in that order for me (D

I keep that thirty on me like a portable piece, shit, I can't do nothing for
free
I'm at the penthouse, we got the bodies in here, nigga, I don't see nothing
but freaks
I'm in the Hellcat but I got God in here, close my eyes, let him drive the w
heel
Shoutout Selim, he came and got me out the hood, I've been lit since I signe

My bitch in Celine
I do what I say, never sell her a dream
I do what I say and I say what I mean
I got big as hell like Yao Ming
They know what I mean
It ain't nothing to make these lil' niggas bleed
It ain't nothing to make these lil' niggas grieve
Hit the button, let that switch out, get out, bet I hit everything that I se

Bet I get everything that I need
Better you get out, I bring that shit out
I'm in the game, coach, I never sit out
I pull up here and make everybody get down
I'm the shit now just like toilets
I ain't no robber no more, I'm an artist
Yeah, I'm a father now, I need a daughter
Been needed real big shit 'cross the border
I was poor, now I can buy everything I afford
I was just slidin' in the back of the Ford truck
They can't book us now, they can't afford us
They've been hatin' on me, that shit horrible
"Ayy, 'Xho, is you a GOAT?" It's rhetorical
Got this water on me, I could snorkel
I'll probably start me a business now, Oracle
It ain't too many on that can fuck with the young nigga
Been up to somethin', nigga, I ain't have nothin', nigga
I do a lot just for me to be one nigga
Speak on my lane, they gon' come get 'em
I be with slugs and they'll put one in 'em
TB the gang, ain't nothin' bigger
If you reach for a chain, nigga done, end him
Now I pull up, I rock out, Amiri denim
You know Nut, that's my brother, a mirror image
Any problem we got, we gon' deal with it
If I kill, just know I can't live with it
On that same shit, nigga, I'm still with it
Nah, for real
Now I get paid just to rap how I live
Me and the brodie done trapped in the ville
My heart in the gutter, I'm trapped in the field

I've been militant-minded, can't act how I feel
Now I'm a bigger me
I've been in the streets, now I go industry
Me and Cole, we like science, got chemistry
Say he big homie, he lying, my mini-me
I got nothin' but eggshells for an enemy
We like a meat shop, niggas got plenty beef
