

# Thuggin

Hunxho

I still remember, third of December, me in your sweater  
(Kel)

You said it looked better on me than it did you  
Only if you knew, how much I liked you  
But I watch your eyes as she walks by  
What a sight for sore eyes, brighter than a blue sky  
She's got you mesmerized while I die

Oh Lord, we been thuggin'  
Swear they ain't give us nothin'  
Young nigga gon' hard to be somethin'  
Swear it's kind of hard to be somethin'  
When you from where we from  
When you seen what we seen  
When you done what we done  
Oh Lord, oh Lord, oh Lord, we been thuggin'  
Swear they ain't give us nothin'  
Young nigga gon' hard to be somethin'  
Swear it's kind of hard to be somethin'  
When you from where we from  
When you seen what we seen  
When you done what we done  
Oh Lord, oh Lord

Parked in that backstreet, all day, in school, beatin' that dope out the hallway  
All the young nigga wanna do is rob, all the young nigga wanna do is catch p  
lays  
Young nigga been stealin' cars since the sixth grade  
Bring Mar Block life on a Sunday  
Block hot, we was tryna get a sundae  
Fucked up, only knew to get it one way  
Sittin' in jail, gotta shit with a bunkmate  
Play no games but we know 'bout that gunplay  
At the Rick store, I don't know 'bout no runaway  
Say he went crazy, be feelin' like Ye  
In the trap, nigga still sellin' yeah  
I was tryna take off, I played  
Started rappin' to catch me a deal  
I was broke for 'bout numerous days  
What you do when you feel like you losin' it?  
I got potnas on drugs, they abusing 'em  
Took my pain and I made this shit musical  
Talked to God but I ain't even spiritual  
I got bars, they can't say I ain't lyrical  
He want beef, he get whipped just like miracle  
Have you ever seen a body in front of you?  
Took the lead, ain't nobody in front of you  
They sayin' my blow up perpetual  
Ain't talked to God, I put space on my schedule  
I ain't used to this, had to change up my drip and I been tryna proper my ed  
icate  
Can't get a job, I got felonies  
And no, I can't fall, they ain't catching me  
Nigga, I'm with the beef, ain't no Peppa Pig  
I just pray I don't go back to jail again

Oh Lord, we been thuggin'  
Swear they ain't give us nothin'  
Young nigga gon' hard to be somethin'  
Swear it's kind of hard to be somethin'  
When you from where we from  
When you seen what we seen  
When you done what we done  
Oh Lord, oh Lord, oh Lord, we been thuggin'  
Swear they ain't give us nothin'  
Young nigga gon' hard to be somethin'  
Swear it's kind of hard to be somethin'  
When you from where we from  
When you seen what we seen  
When you done what we done  
Oh Lord, oh Lord

You said it looked better on me than it did you  
Only if you knew, how much I liked you  
But I watch your eyes as she walks by  
What a sight for sore eyes, brighter than a blue sky
