

War

Hunxho

You can keep your heart, swear I don't need love, love, love, love
Yeah, ha, ha-ha-ha
Nah-nah, nah, yeah, ha, ha-ha

You can keep your heart, swear I don't need love (Need love)
You know I'm in these streets, watch over me, Lord (Ha-ha)
Yeah, I can't take time out (I can't take time out)
No, they can't diss me, spin they block soon as we find out
It wasn't nothin' but beef, than a nigga war, war, war (War, war, war)
I was really sleeping, a nigga hard, hard, hard (Hard, hard, hard)
Too deep in these streets, therefore I lost my dog (My dog)
I did hard time, but ain't no more collect calls (Yeah, ha-ha)

I been steady showing love (Showing love) but they still blame me (Yeah)
Fucked around and ran it up (Ran it up) and still rocking my white tees (My white tees)
I been looking for some love, I hope it find me (I hope it find me)
Really staying up out the way (The way), lately I been grinding (I been grinding)
I pray for money, I swear this fame it can't change me (No, it can't change me)
Never question God (God), sometimes I wonder like, "Why me?" (Why me?)
I done been around (Around) too many people (People) that don't excite me (Excite me)
I done ran it up on accident, I got niggas mad they don't like me (They don't like me, yeah, yeah)

You can keep your heart, swear I don't need love (Need love)
You know I'm in these streets, watch over me, Lord (Ha-ha)
Yeah, I can't take time out (I can't take time out)
No, they can't diss me, spin they block soon as we find out
It wasn't nothin' but beef, than a nigga war, war, war (War, war, war)
I was really sleeping, a nigga hard, hard, hard (Hard, hard, hard)
Too deep in these streets, therefore I lost my dog (My dog)
I did hard time, but ain't no more collect calls (Yeah, ha-ha)

No more collect calls, my brothers out them walls (Out them walls)
Play with my partners, I get you stretched like you too small (Like you too small)
Night Vick, fighting, go to jail about my dog (Dog)
It was hard, hard, hard, out here with nights in the Fall
People depending on me, TV, skipping, gotta use alcohol 'cause we strap with VV's
Partner got rich out the pandemic, hit for a couple PP's
Used to watch CD's, now my shoes say CD
Lotta Christian Dior, but still got demons in me
Stuck in these streets just like some traffic (Traffic)
We ain't have no bread, we lose our bread to blow some matches (To blow some matches)
Now I'm getting money, I bought a bracelet to match my Patek (To match my Patek)
They see my lifestyle, I'm flip like Shawn hat feel like
I'm vegan, don't want beef, I just want cabbage

You can keep your heart, swear I don't need love (Need love, need love)
You know I'm in these streets, watch over me, Lord (Me Lord, Me Lord)
Yeah, I can't take time out (I can't take time out)

No, they can't diss me, spin they block soon as we find out (Find out)
It wasn't nothin' but beef, than a nigga war, war, war (War, war, war)
I was really sleeping, a nigga hard, hard, hard (Hard, hard, hard)
Too deep in these streets, therefore I lost my dog (Lost my dog)
I did hard time, but ain't no more collect calls (Collect calls)
