

Worth Your While

Hunxho

(Go, Grizz)

It ain't safe for you to cry for 'em, in my face, you see these
demons
I am who I am from taking losses, weight out losses, we can pro
sper
Lost as hell, I felt like a foster child who grew up with no fo
ster
Listening'll make it worth your while if you do what I taught y
ou
I be dreaming at night, seeing me, I gotta sleep with that pipe
I'm way ahead on my time, feel like I got [?]
Seen me in jail getting small as hell 'cause they wasn't feedin
g me right
Hear my grandaddy [?] I wonder what he'll be like

It don't even feel good [?], we was all in the hood with these
pipes
Now the trunk in the hood, riding in the hood, seeing what the
hood be like
New case, had to fight for my life
Doing all the wrong things for the right reason
Am I wrong or am I right? Lord, am I wrong or am I right?
I don't need no award [?]
New coupe, no nine-eleven
New bitch play basketball, this bitch sitting like five eleven
I already bought my car, but I can go buy one whenever
[?] don't try the boy, unless you tryna be one with heaven
Wonder what my opps do when we both dead, ain't no guns in heav
en
Strapped up tryna slide, it was late night in a stolen Chevy
Dropped a bag on a piece the teeth, nigga, got the stones embed
ded
Nigga dropped a bag for a feat, seen a nigga, I just told him Z
elle it

It ain't safe for you to cry for 'em, in my face, you see these
demons
I am who I am from taking losses, weight out losses, we can pro
sper
Lost as hell, I felt like a foster child who grew up with no fo
ster
Listening'll make it worth your while if you do what I taught y
ou
I be dreaming at night, seeing me, I gotta sleep with that pipe
I'm way ahead on my time, feel like I got [?]
Seen me in jail getting small as hell 'cause they wasn't feedin
g me right

Hear my grandaddy [?] I wonder what he'll be like
