

## Fine and Mellow

### Hurray For The Riff Raff

My man don't love me  
He treats me awful mean  
My man don't love me  
He treats me awful mean  
Well, he's the lowest man  
That I ever seen

He takes other women, lord  
He sits them down on his knee  
He takes other women, lord  
And sits them down on his knee  
And you know he tells them things  
He won't tell me

High-draped pants  
Stripes are really yellow  
He wears high-draped pants, lord  
Stripes are really yellow  
When he starts in to love me  
He is so fine and mellow

Love will make you drink and gamble  
Stay out all night long  
Love will make you drink and gamble  
Stay out all night long  
Well, love will make you do things  
You know is wrong

My man don't love me  
He treats me awful mean  
My man don't love me  
He treats me awful mean  
Well, he's the lowest man  
That I ever seen
