

## Goin' Away

## Hurray For The Riff Raff

Won't be no sunshine  
It's always rain  
You know that I love you  
So you come back again  
Won't be no sunshine  
It's always rain  
Give you all my money  
Give you all my lovin'  
And you think that's funny  
That's why I'm goin' away

Won't be no sunshine  
It's always rain  
You know that I love you  
So you come back again  
Won't be no sunshine  
It's always rain  
Give you all my lovin'  
Give you all my money  
And you think that's funny  
That's why I'm goin' away
