

## I'm So Lonesome I Could Cry

Hurray For The Riff Raff

Hear that lonesome whippoorwill  
Sounds too blue to fly  
The midnight train is whinin' low  
And I'm so lonesome I could cry

Have you ever seen a robin weep  
When leaves begin to die  
That means he's lost the will to live  
And I'm so lonesome I could cry

The silence of a falling star  
Lights up a purple sky  
The moon just went behind the clouds  
To hide its face and cry

Well, I never seen a night so long  
When time comes crawling by  
And as I wonder where you are  
I'm so lonesome I could cry

No, I never seen a night so long  
When time comes crawling by  
And as I wonder where you are  
I'm so lonesome I could cry  
I'm so lonesome I could cry
