

Lake of Fire

Hurray For The Riff Raff

Darling can't you see
What your loving means to me
Well I am just an orphan girl
Living in a lonely world
And I'm hoping, hey

Well darling can't you say
You will be my man to stay
Oh this old world is going down
And I'm not trying to mess around
I'm just waiting, hey

Shu-hop, shu-wa-wa
Shu-hop, shu-wa-wa
Uh, whoa

Walk across a lake of fire
Get so high, could get much higher
Oh I'm going down to Rosemarie's
She's got what it takes to satisfy me
And I'm hungry, hey

Darling can't you see
What your loving means to me
Oh I've been up and I been down
Oh I been so low I was underground
Now I'm waiting, hey
