

Levon's Dream

Hurray For The Riff Raff

If Levon would play in the night dear
Would you come back to my heart
I don't know how to tell you
My tongue could never start
So sing a love song to her
I'll be out here with the birds
Telling lies
In other words
It's so hard to love someone
In a world so cold and new
You try to hide your love away
But that's an awful hard, hard thing to do
I'm heart broke, heart sick
I just cannot be fixed
I don't know how much time I can live in this lie
I'm Heart Broken and through trying to hold on to you
I'm Heart Broken and through, and it's all over you
