

# Roll The Dice

Hurricane

Watchin my body  
By a drinking you take a step  
Say you eyes movin with me  
Not a thing that's you gonna miss  
No you want make it closer  
Are you in baby make your bad  
Make your bad

Wanna get like you  
When we it turn night  
Take a chance one no  
And at least you try

Roll the dice  
Roll the dice  
Roll the dice ooh  
Roll the dice  
Roll the dice  
Roll the dice

There is a mistery about you  
Could a vibe that I can't decode  
Play the game should me how to  
Yeah you making me one a know  
All the tricks up you sleeve  
All the thing that's you need  
Show me something  
Show me something

Wanna get like you  
When we it turn night  
Take a chance one no  
And at least you try

Roll the dice  
Roll the dice  
Roll the dice ooh  
Roll the dice  
Roll the dice  
Roll the dice

You never get like you and me  
Unless you try it  
Just take a chance  
So me, and know you gonna like it  
You never get like you and me  
Unless you try it  
Unless you try it

Roll the dice (Just, baby just roll the dice)  
Roll the dice (Just, baby just roll the dice)  
Roll the dice ooh  
Roll the dice  
Roll the dice  
Just, roll the dice
