

Cool It Down

Hurricanes

Cool it down, I didn't wanna hurt you
Baby, baby, did I really hurt you?

Cool it down, I only wanted you to understand
When you say things like you said now I don't know what
I do
Don't you know I only wanted to be what I am

Cool it down, I didn't wanna hurt you
Baby, baby, did I really hurt you?

Cool it down, I only wanted you to understand
When you say things like you said now I don't know what
I do
Don't you know I only wanted to be what I am

Baby, baby, don't you understand what I'm trying to say
to you?
We shouldn't do the things we used to do to me
