

Looking For The Tsugu

Hurricanes

Workin' for the bees, people dancin' in the streets
Workin' for the bees, people dancin' in the streets
Rockin' to the power, thats the beeses sound on me

Mary go round, jingle bout and have some fun
Whoo oo oo oo
You've gone too far, it's time for you to have a bomb
Tsugu Way, Tsugu Way, do you know just what I say
Hey hey hey hey

(Solo)

Tell you're out of town, Tsugu Way is found on me
Whoo oo oo oo
Tell you're out of town, Tsugu Way is found on me
Well for that kind of power, it takes a white man you can
see

Lookin' for the tsugu, eh eh, eh eh
Lookin' for the tsugu, eh eh, eh eh
Lookin' for the tsugu, eh eh, eh eh
Lookin' for the tsugu, eh eh, eh eh
Lookin' for the tsugu, Tsugu Way is found on me
