

Slippin' and Slidin'

Hurricanes

Slippin' and slidin' deep in Ohio
Big sun a long time ago
Slippin' and slidin' deep in Ohio
Big sun a long time ago
I've been told that you've been told
I never be your fool no more
Oh keep on knocking on a limo glass
Good guys been through town
Oh keep on knocking on a limo glass
Good guys been through town
Slippin' and slidin' , deep in Ohio
I wont be your fool no more
