I will stay by your side now and forever,
I will always only be in love with you.
Is it true when you say that you love me
And is it true that I'll go on?
In the day we walk together,
In the night I think of you.
Is it true when you say that you love me
And is it true that I'll go on?
I will phone your mother and ask her
If I can marry you.
I will stay by your side now and forever,
I will always only be in love with you.
Is it true when you say that you love me
And is it true that I'll go on?
