

Another Time

Hurt

I don't want to think
I don't want to think
I don't want to know or I'll get sick with this

I don't want to think
I don't want to think
I don't want to know or I'll get sick with it

I don't want to think
I don't want to think
I don't want to know or I'll get sick with this

I don't want to think
I don't want to think
I don't want to know, know

Or I'd fall to pieces
'Cause it's tearing me apart
It's tearing me a heart and
And I would fall to pieces

'cause you were tearing me a heart
Or were you tearing me apart?

I don't want to think
I don't want to think
I don't want to know or I'll get sick with this

I don't want to think
I don't want to think
I don't want to know if I'll get sick with it

Because everyone knows how it goes, I suppose
There were times that you can't think of anything good
Think of this, think of this
There'd be nowhere to miss
What was good without bad
You can see good in that

We'd fall to pieces
'Cause you're tear me apart
I will fall to pieces 'cause it's tearing me a heart
Yeah, it's tearing me apart

To know you hate the way I feel
And I know that feeling's overwhelming
It feels the way I hate
Do you feel like coming over?
Know you hate the way it feels?
And I know that feeling's overcoming
It feels the way I hate
Do you feel like coming over?

Sometimes, I mind
This time's another time
Sometimes I mind,
That this time, is another time

So don't you fall to pieces
'Cause you're tearing me apart
Yeah, I will fall to pieces
'Cause you're tearing me a heart
You know they're tearing me a heart

And I know you hate the way it feels
I know that feelings overwhelming
I feel the way I hate
Do you feel like coming over?
I know you hate the way it feels
I know that feeling's overcoming
To feel the way I hate,
Do you feel like coming over?

So if you hate the way you feel
You feel that fear has overwhelmed you
Feel the way you hate, do you feel like coming over?
