

S.O.S.

Hurts

It's one o'clock in the morning
I'm out on my own
It's four o'clock in the morning
And I'm trying to reach you
I know it's late but do you want
To let me know what I did wrong

I'm sending an S.O.S.
'Cause we're running out of time
There once was a halo
But the rust won't let it shine
We've got to give this one more try
When did your heart run out of fight
This is an S.O.S.

Hard rain was falling
I didn't think twice
You didn't give any warning
One crack and we fell through the ice
But if the waves can drag us down
Then if we fight it we make it out

When you stood in the doorway
It was the first day of my life
And on your head was a halo
But now the rust won't let it shine
We've got to give this one more try
When did your heart run out of fight

This is an S.O.S.
I'm sending an S.O.S.
To you
To you
To you

I'm sending an S.O.S.
'Cause we're running out of time
There once was a halo
But the rust won't let it shine (no)
We've got to give this
(give it one more try) one more try
When did your heart run out of fight
This is an S.O.S.
I'm sending an S.O.S.
