

Just Another

Husalah

It never really matter that much to me (It never really matter that much to me)
But you was just another punk bitch to me ('nother punk bitch to me)
Well if a ho, a slut, a tramp, a bitch, should come and cash me out
I'd love it if a ho, a slut, a tramp, a punk rock bitch come and cash me out
, I love it
It never really matter that much to me (It never really matter that much)
'Cause you was just another punk bitch to me ('cause you was just another punk bitch to me)
But if a ho-'ll come and cash a nigga like me out oh yes I love it
If a, punk bitch come and cash a nigga out then I really ain't trippin', if it's cash I love it

Yo, yo, yo, yo
When I met the bitch, I let her know I couldn't kiss her
Confiscated the bitch from some fake ass pimpin'
Drop the top on the Chev' but she saw me in a Porsche
She ran off on a simp, he hit her raw, made her abort
How you hollerin' ya pimpin' kissin' that bitch you really not
Bitch been tuckin' bundles, comin' up short and bringin' me knots
That bitch been runnin' off and droppin' it off to the mob
He buyin' that fake ass syrup wit' the bread, got her hot
She wanna hang around and pay me 'cause I'm mob
I'm so dope, I'm so fresh bitch it really ain't no options
Yeah, the bitch was on point, the bitch never came short
I pull up then I yoke, yoke, yoke, bitch
Not the same bitch that I sent
But the brand new bitch, 'cause the bitch got the whip
Brand new, pullin' up, then I drop the top, drop the top
Up the block, slap lo, burnin' rubber, bitch it don't sto-op

It never really matter that much to me (It never really matter that much to me)
But you was just another punk bitch to me ('nother punk bitch to me)
Well if a ho, a slut, a tramp, a bitch, should come and cash me out
I'd love it if a ho, a slut, a tramp, a punk rock bitch come and cash me out
, I love it
It never really matter that much to me (It never really matter that much)
'Cause you was just another punk bitch to me ('cause you was just another punk bitch to me)
But if a ho-'ll come and cash a nigga like me out oh yes I love it
If a, punk bitch come and cash a nigga out then I really ain't trippin', this cash, I love it

But it really didn't matter 'cause my cake got fatter
Puttin' the whip on the batter and that's before I even had it
Now I'm askin' for it, 'cause ho I know you got it
Go and put it in my pocket but don't be gettin' out of pocket
I got time well invested, but I'll leave ya ass stranded
Vanished, just like I planned it
Damn it feel good to be a fly G
And it ain't a nigga like me
Have 'em sellin' p*ssy on the side street, five deep
Five weeks straight, talkin' date after date
Guess she never wanted to eat 'cause all the dicks that she ate
But shit, to me it didn't matter at all
She could walk 'til she crawl if she wanna see daddy ball

Then hey, let them heels click clack, click clack
Bitch better get right or get back
Shit I cash my checks wit' no ID
So can't a bitch buy me
And make ya choice wisely
I see the riches and the bitches and it rhyme for a reason
Get the digits and I ain't talkin' 'bout the number, then I'm leavin'
And this cycle keep repeatin' 'til I'm through wit' cha
A bag of money now I shook her like a few chippers
I'm in the city in a room wit' a few strippers
And we don't tip hoes nigga, nigga hoes tip us
Wit' the chicken that you trickin' wit'
And if you like it then I love it, real nigga shit
If the punk rock bitch come and give me her chips
'Cause wit' all that scratch she'll probably go schiz
If the punk rock bitch wanna give me her chips
'Cause wit' all that scratch she'll probably go schiz
I love it

It never really matter that much to me (It never really matter that much to me)

But you was just another punk bitch to me ('nother punk bitch to me)

Well if a ho, a slut, a tramp, a bitch, should come and cash me out

I'd love it if a ho, a slut, a tramp, a punk rock bitch come and cash me out
, I love it

It never really matter that much to me (It never really matter that much)

'Cause you was just another punk bitch to me ('cause you was just another punk bitch to me)

But if a ho-'ll come and cash a nigga like me out oh yes I love it

If a, punk bitch come and cash a nigga out then I really ain't trippin', if it's cash I love it
