Huskii

Whole lotta gong shit everywhere I go  
I'm on a whole lotta gong shit they ain't even know

2500, I've been seshing with the bros  
We always smoking out the dirty plastic billy with the hose  
2500, I could never trust a hoe, I'd rather bottle my emotions while  
I pack another cone

I'm on a whole lotta gong shit everywhere I go  
I'm suicidal but I'm trying not to die before I blow  
I won't forget where we came from, we left a broken home  
We sleep on couches in the south coast now my heart is frozen

Fuckin' oath, fuckin' oath  
247 smokin' dope  
Fuckin' oath, fuckin' oath  
201 we taken over

2500, I've been seshing with the bros  
We always smoking out the dirty plastic billy with the hose  
2500, I could never trust a hoe, I'd rather bottle my emotions while  
I pack another cone

201, 201

2500, all my bruddas let it go  
I've been suicidal hanging, I ain't talkin bout a rope  
2500, smoking billys till I choke  
Overdosing when I go  
Poppin' pillys till I croak  
201 takin over, issa cult  
Billy raging goin hulk  
I'ma staunch in my city, I don't ever give a fuck  
Tryna bottle my emotions while I'm puffin on a blunt  
Fuckin' oath, fuckin' oath  
You know where we run it up  
I'm still bout me in my city, I'm the GOAT  
I keep on doing coke, I don't give a fuck until I overdose  
Please don't wake up up when I'm a ghost, when I'm a GOAT  
Please don't leave me on my own (don't leave me on my own)

2500, I've been seshing with the bros  
We always smoking out the dirty plastic billy with the hose  
2500, I could never trust a hoe, I'd rather bottle my emotions while  
I pack another cone
