Probably you think you can treat me casually

How much is that twisted pride of yours?

Stop right there, gentlemen, 'cause you're not my type

Turn around and leave, no, I'm not playing

A mystery you will never feel forever

I wanna go hard, I wanna go on

I wanna do some crazy

(Oh, ready set here I go, go hit the door)

What are they saying? What is that?

You can keep talking

But you're just a sidekick outside the flash

The boos get buried, while the wows take their place

Buzzing like a swarm of bees

They say there's a fire on the internet

Shutter sounds, bring that cheese

Take it off, no filter, I admit

No matter what it is, what you think
