

# Finished Symphony

Hybrid

Life will be  
So wrong to you and me  
Baby why?  
Tell me 'hi', tell me 'bye'  
We could be so strong and free  
And this all true  
I'm in love, follow you

Take me high  
Look I can fly  
Come with me  
To heaven foreseen

I'm with you  
I'm with you  
I'm with you  
I'm with you

Life will be  
So wrong to you and me  
Baby why?  
Tell me 'hi', tell me 'bye'  
We could be so strong and free  
And this all true  
I'm in love, follow you

Take me high  
Look I can fly  
Come with me  
To heaven foreseen

I'm with you  
I'm with you  
I'm with you  
I'm with you
