

# Believing In Myself

Hyde

Brought out by the hope attained  
miushinatta jibun to no yakusoku

demo can't disguise daichi wa  
Won't compromise matteru  
Will try atarashii shuuzu de  
Cuz we all can start again

I'm going for the run  
saki e fumidasu yo  
jibun wo shinjite itai sou boku dake wa  
I'm going for the run  
believing in myself, again  
mada shiranai boku e to ai ni ikitai

Oh, I've made plenty of mistakes  
nakushitai kanashii kako mo

demo can't disguise mirai de  
Won't compromise kaerareru  
Will try jibun shidai de  
Cuz we all can start again

itami de tachitsukushite ita  
mada maniau akirame wa shinai

I'm going for the run  
saki e fumidasu yo  
jibun wo shinjite itai sou boku dake wa  
I'm going for the run  
Believing in myself, again  
mada shiranai boku e to ai ni ikitai

The goal line always appears from afar  
Increasing in the soul  
So that is the reason I pledge

To seize it, don't wanna lose to myself  
The goal is still beyond  
That is the reason I pledge  
Cuz we always will start again

I'm going for the run  
saki e fumidasu yo  
jibun wo shinjite itai sou boku dake wa  
I'm going for the run  
Believing in myself, again  
mada shiranai boku e to ai ni ikitai  
Believe in myself
