

# NOSTALGIC

Hyde

Departing this station with lasting  
Memories so dear Memories with you  
Ressha wa kakeru omoi wo furikiru you ni  
The loneliness will fade  
I tell myself

Gliding on these rails I go  
Tojita doa no mado e to sugaru

Just like in films, nostalgic  
Terracotta roofs and the gardens  
Kore wa ima dake no namida deshou ka?

Departing this station with lasting  
Memories so dear Memories with you  
Ressha wa kakeru omoi wo furikiru you ni  
The loneliness will fade

Kaze ga fuku eki de yasashii egao wo  
Omoiukabe matteimashita  
Doa ga shimaru made

The scenes change now the tunnels pass  
Mori wo nukete keshiki wa kawaru

Just like in films, nostalgic  
With the sunlight engulfing me now  
Kimi e no omoi wa kawaranai no ni

Departing this station with lasting  
Memories so dear Memories with you  
Ressha wa kakeru omoi wo furikiru you ni  
The loneliness will fade  
I tell myself

Kanji:  
Departing this station with lasting  
Memories so dear Memories with you
