

Taking Them Down

Hyde

The shallow smile they wear with pride
Esukareeto shiteku tsuigeki
No empathy severe and cold
They love to put me down
These parasaitsu atamannaka wo
Haunting me inside
I can feel them all

In the stormy night kaze ni sakarau you ni
Light the sky ablaze in rage
Hyouteki e mukai hangeki mai taan
I'm aiming for the shot
Giving all I've got
Taking them down

Taking them down

My body aches it screams in pain
Soutou na dameeji wo kurau
Imagining the scene again
The moment they fall under
Parasaitsu atamannaka wo
Haunting me inside
I can feel them all

In the stormy night kaze ni sakarau you ni
Light the sky ablaze in rage
Hyouteki e mukai hangeki mai taan
I'm aiming for the shot
Giving all I've got
Taking them down

Here we are we've suffered this shit too long
Time to turn it up get it out here we go
Raise your head flip off to vent
We'll scream towards them now
3 2 1 FUCK
(I can feel them all)

In the stormy night kaze ni sakarau you ni
