Close Enemy

Hydria

You gave me your mirrors and I gave you my gold
You gave me your disease and I let you stay in my home

And now you come and ask me for forgiveness
And I just don’t know what to say, you were my best friend

[CHORUS]
I know it’s hard, but I believe things will get better
Right from the start it’s been so wrong, but I will get better
'Cause if I let myself be bitter
You win the game

Could you be decent? (yeah, I wonder)
Could you now be real? (yeah, I wonder)
Is there something good deep inside you?
Or is there only dirt? (yeah, I wonder)

And now you get what you deserve, you're lonely
And I just don't know what to say, you were my best friend

[CHORUS]
