Maybe you're  
A star that fell into my heart  
Close your eyes  
My trembling lips are waiting for you

The hot moonlight on this summer night  
This night is like my heart for you  
I desperately want to be with you this summer  
The only one

Feels like a dream right now, you and me  
The dancing starlight, this heart fluttering night  
That's why I'm calling you
