

Cheap Thrills

Hyper Crush

Always lived my life
Always lived my life, my life

Yeah right, what let me get a refill
I can't really see straight but I'm on my feet still
Right yeah, what let me get a refill
Money in the bank getting drunk off a cheap-

Even though we do alot, I'm just living on the rocks
Seven billion other people, all we tryna do is pop
So I'm hot, I gotta be, ain't no one as hot as me
'Far as I'm concerned I'm 'bout to win the fucking lottery

Money on my brain ever since I was a snot nose
I'm still insane, I never change, that's how it goes
Rollin' down the block in a million dollar yachts
Screamin' "We don't give a fuck, we ain't ever gonna stop"

Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice,
Ignored the dreams, too many lies.
Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice,
Ignored the dreams, too many lies.

Oh

Off the cheap thrills (cheap thrills)
Cheap thrills (thrills)

Now ain't nobody stoppin' me
Look mama no hands
She told me "Baby you do anything you can"
OK, I'm getting paid to party all night
And tell them haters that I made it, yeah I'm alright
Put the beat that'll make your fucking face melt
Chicks all say I'm swell, my papa taught me the way it's held
In this evil world, this music is my only jail
I play my head until my motherfucking brain swells

Yeah right, what let me get a refill
Money in the bank getting drunk off a cheap thrills
Yeah right, what let me get a refill
I can't really see straight but I'm on my feet still
Right yeah, what let me get a refill
