

I Made It

Hyper Crush

I look up to the sky, and now the world is mine.
I've known it all my life, I made it, I made it.
I used to dream about, the life I'm living now.
I know that there's no doubt,
I made it, I made it, I made it, I made it.
I made it, I made it, I made it, I made it.
I-I-I Woah!

We Hyper, we Crush,
We came here to get you up.
I made it, I'm drunk,
We came here to get you nuts.
I'm bouncin' like what?
Somebody hold my cup
Bouncin' like what?
Somebody hold my cup-cup
Somebody hold my cuuup

I-I-I-I I look up to the sky
I-I-I I look up to the sky
I-I-I-I I look up to the sky
I-I-I-I-I I look up to the sky
I-I-I-I I look up to the sky
I-I-I-I

I made it, I made it. I made it, I made it.
I made it, I made it. I made it, I made it.

I-m, I-m, I-m, I-m, I-m, I-m, I-m,
I-m, I-m, I-m, I-m, I-m, I-m, I-m,
I-m, I-m, I-m, I-m, I-m, I-m, I-m,

Rocking so much bass I can't even feel my face
Rocking so much bass I can't even feel my face
Rocking so much bass I can't even feel my face-face.
Rocking so much bass I can't even feel my face

Rocking s', rocking s', ra-ra-ra-ra
Bass, bass, bass, feel my face, face,
Feel my fay-fay- fay-fay- fay-fay-fay-fay-fay-fay
Rocking s', rocking s', bay-bay-bay-bay-bass

I look up to the sky, and now the world is mine.
I've known it all my life, I made it, I made it.
I used to dream about, the life I'm living now.
I know that there's no doubt, I made it.

I look up to the sky, and now the world is mine.
I've known it all my life, I made it, I made it.
I used to dream about, the life I'm living now.
I know that there's no doubt, I made it.
